

FINAL PROJECT

William Lowe

Hertie School

12th November 2020

FINAL DATA ANALYSIS PROJECT

Key information

- Submission deadline is December 21, 2020, 11.59pm, via Moodle.
- Groups may contain 1-3 people
- Grades are shared equally and based on the final report
- Your choice of topic!

Report: Blog style

- Clear and limited scope, no theses
- <3000 words, nice graphics, conversational tone
- General audience but keep references to the academic literature and an abstract

Report format

- Rmd + html output
- Short note at the bottom about who did which parts
